C. RECEPTION AND ORIENTATION:

- 1. Facilities shall assess offenders for the risk of being sexually abused and the risk of being sexually abusive utilizing their divisional PREA risk assessment/PREA screener in accordance with the institutional services procedure regarding diagnostic center reception and orientation and probation and parole procedures regarding the community supervision centers and community release centers, and contracted residential facilities.
 - a. Offenders shall be assessed within 72 hours of arrival.
 - b. Offenders shall be reassessed within 30 days of arrival.
 - (1) The reassessment shall consider additional relevant information received by the facility after the initial intake screening.
 - c. The offender's risk level shall be reassessed when warranted due to a referral, incident of sexual abuse or receipt of additional information that impacts an offender's risk of sexual victimization or abusiveness.
 - d. The offender shall not be disciplined for refusing to answer or not disclosing complete information during the assessment.
- 2. If the gender of the offender is unknown at the time of intake, staff members shall not search the offender for the sole purpose of determining the offender's genital status.
 - a. Genital status may be determined during conversations with the offender, reviewing medical records, or if necessary, through a broader medical examination conducted in private by the appropriate health care staff.
 - b. Housing assignment for transgender and intersex offenders shall be made on a case-by-case basis by the institutional transgender/intersex committee or the CAO or designee of community confinement facilities to ensure the health and safety of the offender in accordance with the institutional services procedure regarding offender housing assignments.
 - c. Youthful offenders shall be processed in accordance with the institutional services procedures regarding reception and orientation.
- 3. Assessing for Risk of Sexual Victimization and Sexual Abusiveness:
 - a. All offenders shall be assessed during intake and upon transfer to another facility for their risk of being sexually abused by other offenders or sexual abusiveness toward other offenders in accordance with the institutional services procedure regarding offender housing assignments and the probation and parole procedures regarding the community supervision centers and community release centers, and contracted residential facilities.

- b. Housing, cell, bed, education, and programming assignments shall be individualized utilizing the PREA risk assessment/PREA screener with the goal of keeping separate those offenders identified at high risk of sexual victimization from offenders assessed at high risk of being sexually abusive in accordance with the institutional services procedures regarding offender housing assignments, offender recreation and activities, community supervision centers and community release centers.
 - (1) Contracted residential facilities shall ensure appropriate assignments as outlined in the contract.
 - (2) The PREA risk assessment/PREA screener shall not be used by any staff member to preclude placement in a required activity.
 - c. All housing, cell, bed, education and programming assignments for transgender or intersex offenders shall be made in accordance with the institutional services procedures regarding offender housing assignments and programming assignments.
4. Youthful Offender Housing:
- a. A youthful offender shall not be placed in a housing unit in which he shall have sight, sound, or physical contact with any adult offender through use of a shared dayroom or other common space, shower area, or sleeping quarters. Staff members shall avoid placing youthful offenders in isolation to comply with this provision. If sight and sound separation is not possible, staff members shall provide direct supervision. Staff members shall provide direct supervision when youth and offenders may have unavoidable contact.
 - (1) General population youthful offenders shall be housed separate from offenders 18 years and older in accordance with the institution's standard operating procedure for the offender housing assignments.
 - (2) Youthful offenders who are placed in segregated housing, assigned to disciplinary segregation, or to the infirmary shall only be housed with another youthful offender or in a single cell in accordance with the institutional services procedure regarding administrative segregation confinement.
 - (3) To the extent possible, youthful offenders shall have access to work, programs, and/or activities in accordance with department and institutional services procedures.
5. Medical and Mental Health Screenings: History of Sexual Abuse:
- a. If the screening indicates that an offender has experienced prior sexual victimization, whether it occurred in a correctional setting or in the community, staff shall ensure that the offender is offered a follow-up meeting with a medical or mental health practitioner within 14 days of the intake screening.
 - b. If the screening indicates that an offender has previously perpetrated sexual abuse, whether it occurred in a correctional setting or in the community, staff shall ensure that the offender is offered a follow-up meeting with a mental health practitioner within 14 days of the intake screening.
 - c. Medical and mental health practitioners shall obtain informed consent from offenders before reporting information about prior sexual victimization that did not occur in an institutional setting.
6. Offender Education:

- a. The department shall provide PREA related education in formats accessible to all offenders, including those who are limited English proficient, deaf, visually impaired, or otherwise disabled, as well as to offenders who have limited reading skills in accordance with the departments procedures regarding deaf and hard of hearing offenders, disabled offenders, and blind and visually impaired offenders.
 - (1) Offenders who have limited English proficiency shall be provided a copy of the video transcript and the PREA offender brochure in their native language.
 - (A) If these documents are not already translated as a recognized language by the department, the department shall make reasonable accommodations to provide these documents in the offender's native language.
 - (B) If the documents are unable to be translated in the offender's native language the department's PREA site coordinator or designee shall work with additional staff to assist the offender in understanding the information provided.
 - b. The PREA site coordinator shall be make key information readily available or visible to all offenders through the PREA posters, the offender rulebook and the offender brochure on sexual abuse and harassment in accordance with the institutional services procedure regarding diagnostic center reception and orientation.

 - (B) The assessment/retaliation status check form shall be used during each of the assessment interviews.
 - (C) If the victim or reporter expresses fear of retaliation, monitoring shall continue for an additional 90 day period or until the victim or reporter is no longer in fear of retaliation or if the investigation or inquiry is unfounded.
 - (2) The PREA site coordinator or designee shall monitor all staff reporters of offender sexual abuse or harassment for a minimum of 90 days. Monitoring shall include but is not limited to monitoring for changes that may indicate retaliation, negative performance reviews or reassignments.
 - (A) The assessment/retaliation status check form shall be used during each of the assessment interviews.
 - (3) The PREA site coordinator or designee shall ensure all witnesses receive an initial assessment utilizing the assessment/retaliation status check form.
 - (A) Witnesses who voice they have no concerns regarding potential retaliation shall not receive further monitoring.
 - (B) The witness shall sign the assessment/retaliation status check form showing they have no concerns regarding potential retaliation.
 - c. The PREA site coordinator shall report all evidence of retaliation to the CAO to ensure an inquiry or investigation is initiated in accordance with department procedures.
 - d. If possible retaliation is suggested, the PREA site coordinator shall act promptly to remedy any such retaliation and protect the individual.
 - e. The PREA site coordinator shall ensure victims, reporters and witnesses that report a fear of retaliation and/or possible victims of retaliation be offered emotional support services.
 - (1) Emotional services for offender victim, reporters or witnesses include but are not limited to, case management or referral to mental health, chaplain, or advocacy when appropriate.

- (2) Emotional services for staff reporters or witnesses included but are not limited to, employee assistance program, peer action and care team referral and/or chaplain referral.
- (3) All action taken to remedy retaliation or services offered victim or suspected victim shall be noted on the assessment/retaliation status check form.
- f. In the event that a victim, offender reporter or a witness is transferred during a period of monitoring, the PREA site coordinator shall forward the assessment/retaliation status check form to the PREA site coordinator in the receiving institution.
 - (1) The PREA site coordinator at the receiving institution shall ensure monitoring continues as outlined in this procedure.
 - (2) The PREA site coordinator shall ensure the completed assessment/retaliation status check form is returned to the originating institution to be filed in the PREA Incident file for future audits.
- g. In the event the allegations are determined to be unfounded the agency shall terminate monitoring.
